## **Apostle to Tour Global Growth Expert**

10 June 2008. Mark Baribeau, vice president and portfolio manager of Loomis Sayles and Company, L.P. will be touring Australia with Apostle Asset Management Ltd ("Apostle") from June 18-20.

According to Karyn West, Managing Director, Apostle Asset Management: "Mark has more than 21 years investment management experience and is seen as a leader in his field. We are delighted to be bringing him to Australia to meet with our investors."

"Together with his equities team, Mark recently won a coveted Lipper Award and his investment management expertise that helped him achieve this accolade continues to be reflected by the continued strong performance of the Loomis Sayles Global Growth Strategy," said Ms West.

Mark Baribeau oversees institutional and retail portfolios, including the Loomis Sayles Growth, USA Growth and the IXIS Loomis US Large Cap Growth Funds.

As at 30 April 2008 Loomis Sayles managed approximately \$184 million of investors' funds using their Global Growth Strategy.

Apostle will conduct an Australian investor roadshow with Mark Baribeau from June 18-20.
